Government Neglecting Farmers, Consumers: YSRCP

Dharnas At Tehsil Offices On November 2

Hyderabad, Andhra Pradesh, India, 31.10.2015, 15:46 Time

USPA NEWS - YSRCP had demanded the TDP government to initiate steps to ensure direct procurement of produce from the farmers and bring down the prices of essential commodities.

'We will stage dharnas at all the Tehsil offices in the State on November 2'

"Farmers and consumers are bearing the brunt with the MSP being far less than the input cost and the prices of essential commodities are sky-rocketing. The State is showing no concern towards the people's issues", party senior leader Botsa Satyanarayana told reporters on October 31.

The Government has been neglecting the farm sector totally and the farmer, who is bearing the brunt from lack of bank loans, to lack of rains, hike in prices of fertilizers and no sight of procurement facilities, should be given a bonus of Rs. 200 per quintal besides eliminating middlemen.

It was during YSR's period that the MSP has gone up by three times and the present rate of Rs. 1,450 is not sufficient as the cost of inputs had increased manifold.

The prices of essential commodities have been increased steeply and the common man is burdened heavily while the government is paying no attention towards the people's problems.

"We will stage dharnas at all the Tehsil offices in the State on November 2 and submit a memorandum highlighting the failures of the government and demanding proper measures to address the problems of the farmers and consumers", he said.
